Dear

Request under the Freedom of Information Act 2000

Thank you for your request for information received on 29 January 2015, relating to Autism.

I can confirm that Gloucestershire CCG does hold the following information:

1. How many people with Autism do you commission services for?

Mental health commissions a specialist assessment and diagnostic service to help identify if someone has autism. The team are commissioned to carry out 50 assessments per year but this service is open to anyone who potentially has a diagnosis of autism.

Learning disability commissioners 14 packages of care for people with Learning disabilities and autism, and joint fund 40 further packages of care.

2. Could you provide a breakdown by severity of any associated learning disability?

We currently do not collect this data.

3. For questions one and two, what is the breakdown by patient setting - inpatient, residential care, private home?

4 inpatient with ASD
24 in supported living
22 in residential
6 in family or own home.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to the Re-Use of Public Sector Information Regulations (1 July 2005) and

authorisation from the CCG will be required. In the event of any re-use, the information must be reproduced accurately and not used in a misleading manner.

If you are not satisfied with the way in which we have dealt with your request for information, then in accordance with the Act you may ask us to conduct a review of our decision. In which case you should contact me at the above address.

If you remain unhappy with the decision after review you should contact:-
