Dear

Request under the Freedom of Information Act 2000

Thank you for your request for information received on 29 January 2015, relating to agency temps.

I am pleased to confirm that Gloucestershire CCG does hold the following information:

Please could you provide me with the following information:

- **The total number of temporary agency staff utilised as well as the total sum spent on temporary agency staff in the Finance and Accountancy department for this current financial year and 2013/14**

The main finance function of the CCG during this timeframe was contracted through Central Southern CSU. There was only one agency staff member within the finance department of the CCG which totalled £73,036 in 2013/14

- **The total number of temporary agency staff utilised as well as the total sum spent on temporary agency staff in the Estates and Facilities department for this current financial year and 2013/14.**

The estates & facilities function was devolved to Property services from April 2013 therefore the CCG had responsibility for this and did not contract any agency staff.

- **The total number of temporary agency staff utilised as well as the total sum spent on temporary agency staff in the Procurement department for this current financial year and 2013/14.**

Part of the procurement service is contracted out therefore procurement within the CCG is extremely small and did not require any agency staff within 2013/14.

You are advised that this information is provided in accordance with the Freedom of Information Act 2000 and is for your personal use. Any re-use of this information will be subject to the Re-Use of Public Sector Information Regulations (1 July 2005) and authorization from the CCG will be required.
