Sustainability & Transformation Plan

Q1 As part of our Joining up your Care conversations in 2014, people agreed a set of principles. Do you think these still apply today?

	Yes	No	Don't know
A greater amount of the budget should be spent on supporting people to take more control of their own health	75.0%	11.3%	13.7%
There should be a greater focus on prevention and self-care	87.9%	4.8%	7.3%
We should develop joined up community health and care services.	95.9%	1.6%	2.4%
We should bring some specialist hospital services together in one place.	59.7%	19.4%	21.0%
We should focus on caring for people with the greatest health and care needs.	74.0%	12.2%	13.8%

Q2 When resources are limited, we think the NHS and care services need to prioritise them. Rank the following in order of importance, where 1 is the most important to you.

	1	2	3	4	5
Caring for people in their own homes, or near to where they live	39.8%	21.4%	18.4%	15.5%	4.9%
Funding additional community services by reducing the number of hospital beds in the future	6.7%	9.6%	11.5%	17.3%	54.8%
Investing in health promotion - helping people to stay well for longer	22.0%	26.6%	22.0%	22.9%	6.4%
Prioritising the funding of drugs and treatments that have the greatest health benefit for the population	21.5%	25.2%	27.1%	18.7%	7.5%
Treating people with the most complicated health conditions	15.5%	16.4%	24.5%	23.6%	20.0%

Q3	We think hospital beds should be available for patients requiring medical and nursing care that cannot be provided elsewhere. Do you agree that hospital beds should <u>not</u> be used for people..	Strongly Agree	Agree	Disagree	Strongly Disagree
	Who no longer need hospital nursing or medical care	75.2%	24.8%	0.0%	0.0%
	Who feel lonely or isolated	66.4%	29.6%	3.2%	0.8%
	Who have medical needs that can be met at home, or in a care home	64.0%	29.6%	6.4%	0.0%
	Whose family feel unable or are unwilling to look after them	50.0%	32.3%	12.9%	4.8%

Q4 If you need to see a specialist (eg at an outpatient clinic), the most important thing to you would be: (choose one of the following)

- 26.2% The time I have to wait for an appointment
- 6.6% The distance I have to travel
- 64.8% The expertise of the specialist I see
- 2.5% Having as few appointments as possible

Q5 If you need urgent or emergency care services, the most important thing to you would be: (choose one of the following)

- 31.5% Ability to access services 7 days a week
- 22.6% Centres/services staffed by specialists in dealing with your illness or injury
- 8.9% The distance I have to travel
- 29.8% Prompt assessment and decision making about my treatment and onward care
- 7.3% Services that are joined up and can access information about my health and care needs

Q6 Please use the space below to make any further comments about our plan, tell us what is important to you or share your own ideas for transforming health and care services in Gloucestershire
