

Reference: FOI 22382 GLO 11M

Subject: Waste Disposal Services

QUESTION	RESPONSE
<p>1. The name of the incumbent clinical and hazardous waste collector/disposer. When their contract began and when it will be out to tender again.</p>	<p>Gloucestershire CCG does not hold this information.</p> <p>Gloucestershire CCG is a commissioning organisation and so do not themselves provide any clinical services that would generate clinical or hazardous waste.</p> <p>NHS Property Services are responsible for waste management services and may be able to assist, contact details can be found here:</p> <p>http://www.property.nhs.uk/contact-us/freedom-of-information/</p>
<p>2. The number of tonnes per week or month of each category.</p>	<p>Not applicable, see above</p>
<p>3. The price per tonne paid for each category</p>	<p>Not applicable, see above</p>

The information provided in this response is accurate as of 06 September 2017, and has been authorised for release by Mark Walkingshaw, Deputy Accountable Officer/Director of Commissioning for NHS Gloucestershire CCG.
