

Reference: FOI 22092 GLO 11M

Subject: Bariatric Surgery

QUESTION	RESPONSE
1. What criteria, if any, have been stipulated by your CCG in relation to the provision of bariatric surgery? (e.g surgery restricted to BMI over 45 and/or other co-morbidities, surgery only for those with BMI over 50)	<p>Please see the attached spread sheet for the information held by the CCG.</p>
2. When was the criteria introduced?	
3. How many patients have been refused bariatric surgery since the criteria was introduced?	
4. How many patients have received bariatric surgery since the criteria was introduced and how much has this cost the CCG?	

The information provided in this response is accurate as of 08 September 2017, and has been authorised for release by Ellen Rule, Director of Transformation & Service Redesign for NHS Gloucestershire CCG.
