Subject: Serious Incidents Narrative Reports

QUESTION	RESPONSE
<p>Can the CCG please provide all narrative reports that describe in detail the serious incidents reported by all of the GP out of hours services you commission, for the following years:</p>	
<p>1) 2015</p>	<p>I can confirm that the CCG holds the information requested, but in this case we will not be providing some of it to you as it is exempt from disclosure. We are not obliged, under section 40(2) of the Act, to provide information that is the personal information of another person if releasing would contravene any of the provisions in the Data Protection Act 1998 (DPA).</p> <p>In this instance we believe that the release of this information would contravene the first data protection principle and therefore section 40 (2) is engaged. The terms of this exemption in the Freedom of Information Act mean that we do not have to consider whether or not it would be in the public interest for you to have the information.</p> <p>Please see attached information the CCG are able to release.</p>
<p>2) 2016</p>	
<p>3) 2017</p>	

The information provided in this response is accurate as of 16 January 2018, and has been authorised for release by Marion Andrews-Evans, Executive Nurse and Quality Lead for NHS Gloucestershire CCG.
