**Please let us know if there is any further information you would like by emailing**

## **Upcoming engagement opportunities:**

### **What matters to you about Phlebotomy Services?**

Join NHS Gloucestershire Clinical Commissioning Group at a workshop on **Friday 29<sup>th</sup> November 2019 from 10:00am – 12:00pm** helping us to understand what is important to people when using Phlebotomy Services in Gloucestershire. Phlebotomy is having blood taken in order to be tested..

The workshop will be held at:

Sanger House, 5220 Valiant Court

Gloucester Business Park

Brockworth

Gloucester

GL3 4FE

If you would like more information or would like to attend then please contact either Zoe Riley or Katherine Holland or call 0300 421 1911.

## **Better Care Together:**

### **Personalisation: with you, for you**

**Wednesday 4th December, Hallmark Hotel, Matson, Gloucester**

Two sessions to choose from –

Morning session: 9am to 12.30pm

Afternoon session: 1.30 to 5pm

“With you, for you” is at the heart of everything that Gloucestershire Health and Care NHS Foundation Trust aspires to achieve for the people who use our services. To support us and the wider Integrated Care System in further developing our aspirations to deliver truly personalised care, we have secured the internationally acclaimed inspirational speaker: Chris Lubbe, who is currently working with NHS England supporting the promotion of personalised care.

Chris was Nelson Mandela’s body guard and remains involved in the relentless struggle against discrimination. He draws on his incredible story of resistance against apartheid to take his audience on a journey of discovery. Chris’ story contains themes such as fear, determination, courage, love and forgiveness, all in the face of blatant racial discrimination.

*“My purpose is to inspire positive change and to help others discover their own purpose. I believe that each of us has an in-built ability to make a positive contribution to the world”*

Alongside Chris, we will have local people who have themselves shown huge courage in taking control of their lives, often working with those around them and professionals in the face of challenge and adversity. Our Experts by Experience will share their stories with you, helping us to reflect on the themes that Chris will introduce to us and how we can change the way we work.

You are invited to attend one of two sessions on 4th December (morning or afternoon) where we hope you will find inspiration and participate in building a framework for personalisation with others in our Integrated Care System. We will be asking you to reflect on what you hear and to pledge to be part of the change that we all aspire to when we talk about personalised care.

Please book your place at: <https://www.eventbrite.co.uk/e/personalisation-with-you-for-you-tickets-75011666915>

Many thanks,

Joanne Appleton
