

Reference: FOI 37404 GLO 11M

Subject: Changes to Phlebotomy Services

I can confirm that the CCG does hold some of the information requested; please see responses below:

QUESTION	RESPONSE
<p>1. The annual cost of the phlebotomy service provided at Cirencester hospital (that I believe was provided by the Gloucestershire Hospitals NHS Foundation Trust) for its last three years of operation</p>	<p>I can confirm that the CCG does not hold this information. We therefore suggest you contact Gloucestershire Hospitals NHS Foundation Trust as they may be able to provide the data required; please follow the link given below:</p> <p>Gloucestershire Hospitals NHS Foundation Trust</p>
<p>2. All records of community engagement specifically with those in the South Cotswolds area regarding the change</p>	<p>A range of engagement activities were used, PPG Network members and Healthwatch Gloucestershire were invited on 15th November 2019 to an engagement workshop to be held on 29th November 2019. PPG Network meeting was held on 22nd November 2019 and a further email reminder was sent to the PPG network on 27th November (appendix 1). All PPG Network summaries from this period are available on our website https://www.gloucestershireccg.nhs.uk/about-you/your-views/patient-participation-groups/gloucestershire-ppg-network/</p> <p>Engagement event was held on 29th November 2020 and included representation from South Cotswolds area. (appendix 2)</p> <p>Further engagement took place on 30th December 2020 asking for feedback for a survey.</p> <p>Survey was made live on 13th February 2020 and circulated to PPG Network at their meeting on 14th February 2020. Also, an agenda item at the PPG Network meeting on 14th February 2020 (appendix 3). Reminder contained in the summary to the PPG Network on 21st February (appendix 4) also available here https://www.gloucestershireccg.nhs.uk/about-you/your-views/patient-participation-groups/gloucestershire-ppg-network/</p>

	<p>An update and summary was also sent to Aspen PPG on 15th February in their PPG blog summary (appendix 5)</p> <p>Survey completed by a range of PPG Network members including from the South Cotswolds area. (appendix 6)</p> <p>Further engagement of the South Cotswolds PPG Network took place on 19th August 2020</p>
<p>3. Evidence of engagement with GP surgeries in the area (including formal feedback and other correspondence including e-mails) regarding the changes.</p>	<p>Please find embedded a timeline of emails regarding engagement with GP surgeries on the change to a primary care model:</p> <p>See attached document: FOI 37404 GLO 11M - Changes to Phlebotomy Services - attachment 7</p>

The information provided in this response is accurate as of 14 December 2020 and has been authorised for release by Mark Walkingshaw, Deputy Accountable Officer/Director of Commissioning for NHS Gloucestershire CCG.
