QUESTION	RESPONSE
<p>I would like this information in a csv format - not a PDF.</p>	
<p>1. How much money was spent with private mental health care providers by your CCG for patients who were referred for inpatient or outpatient services in the last four years (2017, 2018,2019 and 2020 so far)? Please break this down by:</p> <p><u>As an example:</u>            2018 - £200,000 to private providers            Cygnet - XX - £XX for inpatient services for eating disorders            Priory - XX</p>	
<p>a) Year of payment</p>	<p>See attached spreadsheet - FOI 37439 GLO 11M - Private Mental Health Care Providers - Attachment</p>
<p>b) Private provider who received payment and state how much was given</p>	
<p>c) If possible, service provided (ie inpatient treatment/ eating disorder care). However, if this bit goes over the cost threshold then please ignore it.</p>	

<p>2. How many complaints has your trust received about the private providers you used in the last four years (2017, 2018,2019 and 2020 so far)? Please break this down by private provider (if possible) and say whether any of the complaints led to financial compensation for the patient, and if so how much was received. If further action was taken - such as cancellation of further contacts - please state this.</p>	<p><i><b><u>As an example:</u></b></i>  <b><i>2017 - 230 complaints received</i></b>  <b><i>Cygnets - XX - including £XX compensation to patient and review of contract</i></b>  <b><i>Priory - XX</i></b></p>
<p>3. What is the most amount of money given to a private mental health care provider for a single patient in the last four years? Please say who received the payment and what specific issue it was for (ie rehabilitation, eating disorder support)</p>	<p>See question 1</p>
