We feel that the current CV19 pandemic may make this necessary. In the case of both DPS's there is a potential to have plus 1, plus 1 so they align with the lead provider framework.</p> <ul style="list-style-type: none"> • Home Care and continuing Health Care Service in Rural Gloucestershire DPS 2018 -2021 (expired) • Home Care and continuing Health Care Service in Urban Gloucestershire DPS 2016 -2021 (expired)
